## Feeling Minds Workshop

On the 11th, 12th and 13th of January 2019, Dr. Chinu Agarwal, a renowned psychologist enriched the teachers as well as the students of classes 10 and 11 with her thought provoking lecture. Her talk centered on “Deep rooted cleansing” and “The Importance of forgiveness and gratitude” as the key to peaceful living.

Dr. Agarwal in her talk opened up insights into the human mind. She informed the enthralled audience about a phenomenon called the stroke economy, which creates a scarcity of love and affection in the human psyche; and how one needs to defy the stroke economy rules and appreciate one’s own self and everyone else, ultimately leading to a happiness index. The students were also taught how they can study and memorize in an effective way along with ways in which they can organize themselves in order to be more focused.
