

February, 2019

Dear Parents,

Greeting from Scindia Kanya Vidyalaya!

The Government of India has made it mandatory to vaccinate the students from the age of 9 months to 15 years, against rubella and measles.

If you wish your daughter to be given this vaccination, kindly send your consent by 6th February 2019 on office@skvgwalior.org

If your daughter has already been vaccinated, please share the details.

Warm regards
