E NEWS LETTER APRIL 2019

## Principal Message

The beginning of the Summer Vacation signals the end of the examination term. Months of determined hard work culminated in the examination and finally : the moment of reckoning. SKV witnessed record breaking results with Prachi Chibb making the top rank with 98.6 percent. 53 centums were scored by different girls in different subjects.

This result is significant because our students continue to participate in the full sport and activity program of the school right up to December. There are no tuition classes. This result is purely the outcome of hard work by Teachers and students.

Congratulations and more power to the Spirit of SKV !

Nishi Misra
