Report Dr. Gautam Visit -24th Feb 18

On the 23rd of February Dr. Gautam, Director- Secretary of the Palar Centre for Learning took an interactive session for the teachers, where he beautifully linked life with questioning. He also said there are innumerable wonders that happens around us that goes unnoticed. He believes in a very different system of education with no boundaries, no walls and no limitations. It was an effective session where he asked the teachers to share some of the common questions raised by the students often. Then we discussed whether those were questions or just statement. He also shared the system of teaching in Pathshala. It was a great insight into the role of a teacher outside the classroom.
