

SCINDIA KANYA VIDYALAYA

Top Ranked Girls Boarding School

**The journey of SKV
from a thought to
a legacy.**

CELEBRATING THE
BIRTH CENTENARY OF
OUR FOUNDER,
**H.H. SHRIMANT RAJMATA
VIJAYA RAJE SCINDIA**

LATE RAJMATA VIJAYA RAJE SCINDIA

born on 12th Oct, 1919

*founded SKV in 1956 to meet
the need for a well-rounded
education that stresses on
Indian values, spirituality and
culture for girls in post-
independence India.*

*On the occasion of her
centenary, we pride ourselves
for upholding her ideology
that laid the necessary
foundation for the school to
be a legacy in itself*

In Remembrance...

On the 100th birth anniversary of our founder Late H.H. Shrimant Rajmata Vijaya Raje Scindia, we showered our tributes of love and reverence.

To mark the occasion, our Alumni Reunion and 63rd Founder's Sports Day was celebrated with pomp and glory.

Alumni Meet

11th October

We hosted our Old Girls and ex-Teachers at the **Alumni Reception** on 11th October, 2019. The class of 1994 celebrated their silver jubilee. The **Old Girls** re-lived memories of their schooldays by visiting various landmarks of the school such as the temple, Gajra Bhawan and Kamla Bhawan.

What's more?

To add to all the fun, the class of 1994 celebrated their **silver jubilee**. They received a **traditional welcome** by the Principal, the Vice Principal, the CSW, all members of staff and students. As a tribute to their teachers, the batch of '94 arranged for all logistics of the ex-Teachers so that the latter could attend the event in large numbers. Each building block of the school buzzed with nostalgia.

Alumni Reception

11th October

The welcome in the morning was followed by a charming cultural event. Current SKVians had prepared performances to entertain their seniors. The SKV Dance Society, Orchestra, Choir and Dramatics Societies gave superlative performances.

The Alumni and ex-Teachers cheered throughout the performances with a resounding applause at the end.

We organised The Founder Centenary Alumni Dinner. To awaken their memories of schooldays, a special counter of the Alumni's all-time favourite kadi-chawal, Rajma-Chawal, Aloo Rassa-Puri were specially whipped up. Oh! The culinary memories that were stirred up.

63rd Founder's Sports Day 12th October

Our 63rd Founder's Sports Day was graced by the presence of Chief Guest **Shri S.R. Mohanty** (Chief Secretary of Madhya Pradesh), **H.H. Shrimant Rajmata Madhavi Raje Scindia** (President, Board of Governors) and The Members, Board of Governors.

SKVians presented an impressive set of athletic displays including a **March past** by the senior group of students and a brilliant **Karate** showcased by the junior group of students. Even the alumni participated in the March past.

63rd Founder's Sports Day

12th October

*Dance is in the DNA of SKV, and this was apparent on the occasion of the Annual Sports Day. Under the tutelage of Umashanker Dance Safari, SKVians put on two dance items. First was a traditional dance performance entitled **Rangilo Rajasthan**.*

*The second dance item saw a wave of students come on to the arena to sway, jive and groove to a medley of **retro hits**, all from the 70's.*

The Annual Prize Distribution took place to honour the students who had achieved outstanding results and brought honour to the school.

We appreciate all the students who were a part of making the day such a huge success and congratulate all winners and participants.

Vijaya Raje Scindia Award of Excellence

Every year we present the Vijaya Raje Scindia Award of Excellence. This year it was awarded to Dr. Jayshree Periwal, class of 1976, for having brought about revolutionary changes in the education system.

In a span of just 15 years, her journey from teaching a single student in her garage to being the founder Chairperson for 7 schools with over 8000 students in the state of Rajasthan is exemplary.

IB Board Candidacy Announcement

*A parent teacher meeting was held on 12th October followed by an IB Board presentation which helped parents understand why the **International Baccalaureate programme** would benefit the grade 11 and 12 students greatly.*

The IB authorisation journey has begun, and the application for candidacy is underway. We look forward to commencing sessions under the IB Board curriculum by 2021.
