Special Assembly by The class of 1968

Excitement at its peak

Report

The class of 1968 reunion

23rd - 25th Feb 18

There is a fountain of youth: it is your mind, your talent, the creativity you bring to your life and the lives of people you love. When you learn to tap this source, you will truly have defeated age.

When the students first heard of the Golden Jubilee Batch coming to the school, they didn't know what to expect. SKVians meeting SKVites for the first time, sure would be a sight to see! Little did they know that they were in for a surprise.

And so, the school graciously welcomed Kanak (Gupta) Khanna, Neeharika (Awasthy) Naidu, Bishakha (Sen) Ghosh, Jyotsna (Pandit) Brar, Vijaya Jammalamdaka, Ranjana (Gupta) Adukia, Surjit (Atwal) Saraf, Mridula (Anand) Tandon, Surinder (Perhar) Bains, Shubha (Parab) Bhonsle, Sandhya (Katdare) Paranjpe, Jaspal (Gill) Sarbans, Sucheta (Gupta) Vaish, who came back to visit where it all began.

After a grand welcome and the high tea, some of our students took them around the school. To their utter delight the school hasn't changed much. And to the horror of the teacher in-charges the old girls filled the students in with their mischiefs. Like hopping out of the windows of the classrooms and throwing chalks at the teachers. They even made our girls realize how lucky they are to have a consistent faculty. The tour was followed by lunch and then they had a press conference which was later published in the newspapers.

This was followed by a cultural program in the evening. There was nostalgia in the air by the end of the performances and the alumni were close to tears when Mrs. Jyotsana Brar gave her vote of thanks. Everybody left the dinner which was hosted by the alumni for the school faculty.

Every new day gets accompanied by a new experience and so was the second day for our students as it was the day of special assembly to be hosted by the alumni. The assembly started with a shlok sung by them and was followed by all of their introductions. They shared how SKV had made them what they are today and how the decision of coming to this school, built the path for them to form their identities in this big world. "Even the dry leaves dance when the storm arrives, SKV to us, is the storm." this is how Mrs. Jyotsana Brar described this great institution. Mrs. Niharika Naidu made the whole assembly memorable by singing 'Dama dam mast qalandar'. They ended it by making the whole school sing 'Vande Matram'.

Students of class 12th got a chance to interact with them personally.

The Golden Girls were then taken for tree plantation to Devalaya. But it all didn't stop there, they were yet to be introduced to 'Sankalp', the project which adds to one of the pillars that our institute stands on. Sankalp was well appreciated by all of them. The later part of the plan included a tour to the Jai Vilas Palace and the light and sound show at the Scindia Fort followed by dinner at the Principal's residence. When the time to bid goodbye arrived they all knew that the gates of this institute will always be wide open for them. After all, you might leave SKV but SKV never leaves you.

23rd - 25th Feb 2018**

The girls had to fill hot water by buckets from a boiler outside that Ramdas Baba would burn early morning.

The bed spreads had the school emblem on them.

Nishat Kothi (present Vasundhara Jr) which was a hostel had an underground Box room to store trunks & luggage of the students.

There was a radio in Nishat Kothi which the students were allowed to listen on Sundays only.

A shivling was unearthed under a tree during their time, which now is our school temple.

A Hanuman Ji idol was later put beside the Shivling, which was covered with orange colour,

Mrs. Jyotsna Brar along with her friend put the orange colour on her forehead thinking that would make her look very holy, a Bai Ji looked at her and got all furious saying "why did she touch the Hanuman Ji idol he is a Brahamachari".

I have no words to express the warmth of your welcome and the enormous planning that you have put in. It will live in our memories and hearts forever. A very special thanks to Naina, Mayank, Ottima, Sushma, the teachers and students who stayed with us these 2 days. Please keep in touch and lots of love.

· **Hi girls,**

Thanks to the get together. I was able to relive our wonderful companionship and the magic of our old days in SKV. It would be lovely to keep in touch. Out of the sight perhaps but never out of mind.
